At the beginning of the football season in 1949, the Courier-Journal started something new. Each week they would spotlight a cheerleader from one of the local high schools. The column was titled "Sweetheart of the Week." This left the all male high schools out in the cold. Saint Xavier countered by naming one of the girls from the catholic academies as "Sweetheart" for each of their home games. In 1952 Flaget adopted the idea and began to name their own sweethearts, or princesses as they were sometimes referred to, and recognizing them, as St. X did at half-time of the now annual Flaget vs Saint X football game. Over the years some 151 girls became Flaget princesses. Maybe you were one of the escorts for the princesses, or maybe you dated or even married one. Chances are you recognize some of the names below.

AS ALWAYS, The Flaget Museum is seeking vintage memorabilia for display. If you have athletic programs, Landmarks, or other items, please consider donating them to the museum. Nothing is too small or insignificant. Simply bring the items to an alumni luncheon, drop them off at St. X, or give me a call and I will arrange to pick them up.

If you have not visited the museum lately, consider taking your kids or grandkids there to show them where you acquired your book knowledge and life skills.
