In January of each year I like to present an updated alumni directory denoting Flaget graduates that are still with us and those who have passed on to their ultimate reward. On the table in front of the room is the updated book for your viewing. Also below is a demographic of the active status of each graduating class.

As always the Flaget Museum is accepting vintage memorabilia for display. If you would like to donate an item please bring it to any alumni luncheon, drop it off at the museum, or if you need it picked up, call me. A visit to the museum will always bring back a few memories so if you get time, please stop by. The museum is open most every weekday from about 8:30am to about 4:30pm.

A special thanks to Dave Kelly '51 for his recent donation and an ongoing thanks to Phil Hall '55 who continues to donate many items to the museum.
